工程変更連絡書 Process Change Notice		ヒロセ電機株式会社 一関工場 品質管理課 Ichinoseki Factory, Quality control section, Hirose Electric Co., Ltd.																	
		承認 (Approval)	査閲 (Review)																
		作成 (Created by)																	
<p>貴社益々ご清栄のこととお喜び申し上げます。日頃は弊社製品のお引き立てを賜り、厚く御礼申し上げます。 早速ですが、貴社への納入製品について、下記の通り工程変更を計画しております。 本書にて工程変更のご案内をさせていただきます。尚、複数社向けで個別対応が困難なため連絡のみとさせていただきます。 変更品に対する評価結果などのご要求が有る場合は個別対応させていただきますので、本書類を提出後 2週間以内に ご要求がありましたら賜りたくお願い致します。</p> <p>We truly appreciate your significant support always. We are currently planning on the below process change for the products planned to be delivered to your company. We will inform you about the process change in this book. In addition, we will only contact you because it is difficult for multiple companies to respond individually. If there is a request for evaluation results for the changed product, we will respond individually, so please contact us within 2 weeks after submitting this document.</p>																			
貴社品番/Customer's product number		弊社品番/Product number by Hirose																	
		UM-R-PC(41)																	
区分 Type		Addition of production country																	
理由 Reason		To improve productivity and diversify risks.																	
変更内容 Content of change	変更前 Before the change	変更後 After the change	影響範囲 The scope that will be affected.																
	At the time of delivery, production location indicated on packing bags and packaging box will be changed. There is no change in material quality, dimensions or appearance of the product. Hirose's Indonesia factory has performed producing similar products with different plating specifications in the past. There is no change in production procedure, etc.		Change is mainly in production location. Detail changes are as follows. Our Indonesian factory has performed producing similar products in the past. We shall evaluate that there is no change in items. The major change shall be the display of country of origin. ・ Production location: China → Hirose's Indonesia factory ・ Production equipment: Adding equipment which design is the same as the current jig. ・ Parts used: No change ・ Work procedure: No change ・ Operator: There will be a change (yet, has experience in producing similar products) ・ Product appearance: No change ・ Packaging appearance: Indonesia is added in indication as a manufacturing country.
