Subject: TSHT as Subcontractor for the Assembly of 44L MQFP

Dear Valued Customer:

We would like to inform you that we have qualified Tianshui Huatian Technology Co., LTD. (TSHT) in China for the assembly of 44L MQFP. Please refer to the next page for the package qualification data.

Zilog will be shipping 44L MQFP products assembled by this subcontractor starting around December 1, 2015.

Should you have questions regarding this matter or need additional assistance, please contact zservice@zilog.com.

Thank you for your continued interest in Zilog products and services.

Sincerely,

Sonia Daley
