### Bourns® Model C-303-SS Series 5-Pin Solid-State Protector Modules *220 and 240 Voltages to be Discontinued*

Riverside, California – January 5, 2023 – In accordance with ongoing product life cycle management procedures, effective immediately, Bourns will transfer select [Model C-303-SS Series 5-Pin Solid-State Protector Modules](#) with 220 and 240 voltages to an End of Product Life status. A lack of sales volume, diminishing demand, a shortage of components and sourcing difficulties necessitate this action.

The form, fit and function of the suggested replacement part numbers are not identical to the obsolete parts. However, the specifications of the suggested replacement parts are likely to be substitutable in typical applications. Please refer to Bourns' data sheets for more information. The discontinued part numbers and their recommended replacement part numbers can be found in the table below.
