Before Change

After Change

- PCN#506376 - 16B HC top entry & side entry Hoods round shaped

Run-In date: June 3rd, 2019

Overview:

- As part of our continuous improvement process, we/Molex HDC have upgraded our 16B High Construction hoods, Top & Side entry.
- The upper part of the hood has been enlarged (see picture point 1), the bending at the top has been slightly reduced (see picture point 2).
- This change will ensure a better performance even when connected to cable glands of bigger sizes, such as PG29 and M40.
- Even the aesthetic of the surface has been renewed with a new design for the grooves (see picture point 3).
- This change involves both the form and the function of the products.
- See the attached part numbers list. (16B HC Hoods TE & SE).
- Qualification Reports and samples available upon request after the date shown above.
