Valued customer,

as you already have been informed by Sales, ERNI needs to discontinue the products listed below.

The KSG parts will be set to obsolete immediately as the manufacturing equipment has reached end of life. Already placed orders will be assessed against feasibility and will be mostly delivered. Any further orders cannot be accepted as we cannot ensure the expected and required quality any more.

We can offer the alternative TE part numbers listed below.

The ERNI / TE Connectivity Sales Team will handle questions on any additional information or clarification that may be needed.
