NO: TI-041
DATE: February 2012

PRODUCT: H3CA Solid-State Timer
TYPE: Modification Notice

H3CA Solid-State Timers Receive Modified LCD Display

Effective with **April 2012 production**, the LCD display for H3CA Solid-State Timers will feature improved contrast. The LCD display background will change from yellowish to white. This change was made due to a change in display supplier.

No operational changes are involved.
