### Data Sheet Change:

- Yes  No

### Attachment:

- Yes  No

### Description and purpose of change:

To ensure an improved product assembly, Würth Elektronik will change the marking style for the WE-HIDA series from ink marking to laser marking. All sizes get the Start of winding indication on the marking.

All products with date code 2022-11-17 or later, will be affected by this change.

There will be no change in fit, function, quality or reliability of the product.

### Detail of Change:

The datasheet drawings and component marking will be updated according to the list below:

	
	
<p><b>Reliability / Qualification Summary:</b> Product approval is according to the specification criteria and is internally released by the Product Management Department.</p> <p><b>The following items are part of the internal release process:</b></p> <ul style="list-style-type: none"><li>- External Visual (MIL-STD-883 Method 2009)</li></ul>
