Description of Changes

In follow up to a notification dated 18th October 2021, TE Connectivity AD&M has decided not to pursue requalification to the Mil-DTL-38999 Series I standard (Class Codes T, G, and E), with the US Defense and Logistics Agency (DLA). As a result, TE will be discontinuing/obsoleting the attached list of part numbers.

Reason for Changes:

Part status change. As part of TE Connectivity's continued evaluation and alignment to the needs of the market and strategy of the business, TE will be discontinuing the listed class codes within the above specifications.
