

Product Phase-Out Notice

Dear Advantech User:

Really appreciate your long term support for WOP-2000 series product!

Due to some key component has reached the end of its life cycle, WOP-2000 series will phase out immediately. WOP-2000 series phase-in on 2011/07/15, in past 10 years we sell over 100,000 pcs to the market. Now we're working hard to phase-in new product WOP-200K series as replacement, the target schedule will MP around September 2021. I expect new WOP-200K can bring another 10 years' service to the market and keep bring the benefit to you.
