Dear < Customer FSE Last Name>,

Re: *Announcing a Proximity Sensor Obsolescence*

Due to obsolescence issues used in a family of proximity sensors, Honeywell Sensing and Control will obsolete the products below effective December 31, 2012. Due to the very low sales volume on these parts, we will not pursue any engineering efforts to update parts. Additionally, effective immediately these parts will be removed from S&C's website.

Important dates to note are:

- June 11, 2012: Last time buy. No orders will be accepted after this date.
- December 31, 2012: Final delivery. Honeywell will not deliver parts after this date.

Affected Listings:

ZS-00426-01
ZS-00427-01
