

Product Discontinuance Notification

Notification Number:	2019-1027
Title:	BuckPuck 3021-A-x-xxx & BuckPuck 3023-A-x-xxx
Publish & Effective Date:	November 11, 2019
Last Time Order Date:	June 30, 2020
Last Time Ship Date:	December 1, 2020

Reason for Change

The BuckPuck 3021-A-x-xxx and 3023-A-x-xxx are an AC to DC buck driver that have experienced a decline in demand which has led to the manufacturing discontinuance.

LEDdynamics wishes to promptly inform our customers of our intent to exit this small portion of our overall portfolio so that you may plan appropriately and effectively for replacement devices. Provided in this notice are the impacted parts.

Alternative Component Recommendation

No standard pin compatible alternative product is available. The BuckBullet 7006-H-xxx may work in some applications or a customized solution may be possible. Contact LEDdynamics directly for further discussion.

Timeline

New orders will be accepted through June 30, 2020. New orders may be scheduled for ship through December 1, 2020.

LEDdynamics may implement minimum order quantities or dollar amounts based on inventories available. All new purchase orders accepted and acknowledged by LEDdynamics for the listed discontinued parts become NCNR (Non-Cancellable, Non-Returnable) and will be subject to standard terms and conditions.

Affected Parts

Part Number	Replacement
3021-A-N-350	7006-H-350*

Main: (802) 728-4533

No response from customers will be deemed as acceptance of the discontinuance and the product discontinuance will be executed per the implementation schedule and effective date that is outlined in this PDN. To allow an orderly exit from the market, discontinued products will not be delivered after the specified last time ship date.
