

Product Change Notification

PCN-ICC-864-2017

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
ICC - Industrial Cabinet	BE2	Product Change Notification	Notify Distributors and Field	8/30/2017

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

- The origin is in change of the PT 2.5 Quattro-MT to and L-shaped current bar
- Change in ST article from round to bean snap-in hole. No need for a new cover, only have to modify existing cover
- Old cover fits to ST before and after change, the new cover will fit to ST only with bean hole
- New cover will fit to old and new PT

The reason is the change of the PT 2.5 Quattro-MT from the old PT 2.5 chamber to new R1 Version with L-shaped current bar.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

Transaction Dates

Date modification goes into effect from Germany:	7/5/2017
Expected first shipment (from Phoenix Contact) of the modified products(s):	2/1/2018
