

# **TE Connectivity**

Product Change Notification: E-20-003164 PCN Date: 09-MAR-20

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

### General Product Description:

Refer to ECR page for complete list of the PDs that are affected by this change.

### Description of Changes

To be in compliance with Stockholm Convention on Persistent Organic Pollutants legislation. New solder is classified as ROLO and is HBCDD free.

#### Reason for Changes:

Product Improvement. TE has actively worked with our supplier to come up with an alternate flux which does not contain the above mentioned banned substance. As a result of this change, we have done all required tests needed to make sure the new parts have same level of performance and still comply with the TE internal specifications as well as external agency specifications including the MIL approvals as and where applicable.

#### Estimated Dates:

······································					
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):				
	11-MAR-2020				
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):				
	No Mixed Shipments
