Double-Gang Faceplate, Decora Style - Vertical, White

MODEL NUMBER: **N042D-200-WH**

Clean, simple Decora-style faceplate combines with wall-mount insert for terminating premise audio/video, voice or data applications.

Features

High-Impact Construction Designed to Blend In Seamlessly with Your In-Wall Application This double-gang faceplate mounts flush with a Tripp Lite or other compatible Decora-style wall plate used for premise applications, such as the N042D Series (sold separately). The durable polycarbonate plate is white and blends elegantly into any home or office décor for a sleek, professional installation. Mounting screws are included for wall installation.

Highlights

- Ideal for home theater, VoIP or Ethernet in-wall wiring installations
- Compatible with Tripp Lite N042D-Series center plate inserts (sold separately)
- High-impact polycarbonate construction designed to last long in your décor
- Hardware included for mounting flush with compatible Decora-style insert plate

Applications

- Complete your premise wiring application with a clean, sleek-looking Decora-style appearance

Package Includes

- N042D-200-WH Double-Gang Faceplate, Decora Style - Vertical, White
- (4) Mounting screws
