Re: Discontinuation Notice – L-GAGE® LG Series Laser Sensors

Banner Engineering is issuing notification regarding the discontinuation of all L-GAGE® LG Series Laser Sensors which includes both LG5 and LG10 base platform models. See attached table.

Banner Engineering's latest high precision laser sensors, the LM Series (LM80 and LM150), offers best-in-class performance and real-world stability in a compact housing that serves as the next-gen alternative product platform as replacement solutions to the legacy LG models.

Channel partner Last Time Buy for these affected LG Series models will be June 30, 2021. Please notify your customers who have previously purchased these products and work with your Banner application and technical support teams for alternative solutions.

Thank You!
