## UB2 Series

### Changes to Location of Production for UB2 Series Caps

Type of Change:

- Engineering     Part Number  
 Product         Appearance

***CN-0354 was originally released July 2019, and the Effective Date of February 2020 to change production locations for UB2 Series caps was not implemented. The production will continue at the Japan Factory, and NKK Switches has decided that changing the production location to the Philippines Factory will be postponed, effective October 14, 2022 (CN-0354-A).***

UB2 Series Caps

The location of production for UB2 Series caps will be changing. The boxes in which the products are packed for shipping will now read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." This change will apply to both illuminated and nonilluminated, and standard and custom UB2 Series caps. The effected standard part numbers are listed on page 2.

	Before Change	After Change
Shipping Box	<p>"JAPAN FACTORY" printed on side of box</p>	<p>"PHILIPPINES FACTORY" printed on side of box</p>

#### Notes

- There are no changes to the caps' dimensions or specifications.
- The size and shape of the shipping box may vary depending on the part number.
- Contact information is below if more details are needed.

#### Effective Date

Changes for UB2 Series cap production will be effective February 2020.
