Subject: End of Life – Last time Buy Announcement

To our Valued Customers:

Laird Connectivity is officially announcing the End of Life (EOL) for the part numbers listed in the table below from our product portfolio.

Laird is offering a last-time buy (LTB) opportunity to all customers for the affected products. Customers' LTB Purchase Orders must be placed with Laird by **December 31st, 2019**. Shipments of the LTB Purchase Order can be scheduled out until **January 31st, 2019**. Please note there is very limited inventory that will be sold on a first come first serve basis.

LTB Purchase Orders are non-cancellable, non-returnable (NCNR).

Discontinued Part Number	Description	Remaining Inventory
SA9-120-13	Sectr,VPOL,Fixed,NF 860-960MHz,13dBi,BW120	14 units
SA24-90-9	Sectr,VPOL,Fixed,NF 2400-2485MHz,9dBi,BW90	1 Unit

We apologize for any inconvenience that this may cause you, if you have any questions, please call your normal sales representative or one of our regional contact numbers below.

Sincerely,

Gordon Barber
