End Of Life Notification

Date: June 11, 2013
EOL Reference: EOL233
Product Reference: PMD Discrete Device

To Our Valued Customer:

As always we appreciate your use of International Rectifier semiconductor products. Our commitment to customer satisfaction and continuous improvement is demonstrated by our change plans to enhance capacity, quality and reliability. This notice is to inform you of the following products which will be discontinued. We would like to express our sincere appreciation for your cooperation regarding the following changes, and IR will work closely with you to support your requirements during this transition.

Reason for Product Discontinuance:

International Rectifier is no longer able to manufacture this material and therefore will not be offering a Last Time Buy Period. Please transfer your demand to the "non-G" alternate device which is a drop in replacement.

Product(s) Affected: Alternate or Replacement Product(s):

IRFR5505GTRPBF

IRFR5505TRPBF

Effective Dates:

Customer Notice: June 11, 2013
Last Time Buy*: June 11, 2013 (no LTB offered)
Last Scheduled Shipment*: June 11, 2013 (no LTS offered)
Final Returns Date*: June 11, 2013 (no final returns)

**International Rectifier makes no guarantee regarding quantities available for last-time-buys. Actual quantities and pricing will be negotiated on a case-by-case basis. The "Last Time Buy" is the last date IR will accept new orders for an EOL material. The "Last Scheduled Shipment" is the date IR will attempt to fulfill all final orders, however, IR makes no guarantee that all quantities will be shipped by this date due to unforeseen supply constraints and/or acts of nature, etc. The "Final Returns Date" is the last date IR will accept a return or cancellation for a material. After the "Final Returns Date" all EOL materials become NCNR. However, the "Final Returns Date" only applies to those materials which IR currently accepts returns and/or cancellations per IR policy or your specific customer contract and any returns and/or cancellations are subject to the terms and conditions of those policies or contracts, where applicable. Any material previously identified as "NCNR = Non-Cancellable, Non-Returnable" is exempt from this return and cancellation period. All returns must be in multiples of the standard Delivery Unit (this does not apply to Distributor Scrap Allowances). No returns, including stock rotations, will be accepted after the "Final Returns Date".*
