MMZ0402EUC Series - Product Discontinuation Notice

This announcement is to inform you that, after careful consideration, TDK Corporation has decided to discontinue the production of the MMZ0402EUC series. (Please see the product list and final order/shipment dates below).

As we continue our efforts to better serve our customers with innovative and cost-effective products, we find it necessary to phase out and rationalize some of our low-demand products.

While we regret any inconvenience this announcement may cause, we are pleased to announce we have substitute products (MMZ0402Y) providing similar characteristics and performance to the discontinued products. We would appreciate it if you could consider our alternate products.
