## Product Obsolescence Notification

Issue Date: 01<sup>st</sup> April 2010

Dear Customer,

Avago Technologies regrets to announce the obsolescence of the following products, because of an obsolescence at one of our suppliers.

| Standard/Special Part Number | Last Time Buy Date         | Last Time Ship Date            | Recommended Part Number                              |
|------------------------------|----------------------------|--------------------------------|--|
| SP000063861 - SFH 350        | 15 <sup>st</sup> June 2010 | 15 <sup>st</sup> December 2010 | SP000063866 – SFH 250<br>SP000063860 – SFH 551/1-1   |
| SP000063853 - SFH 350V       | 15 <sup>st</sup> June 2010 | 15 <sup>st</sup> December 2010 | SP000063852 – SFH 250V<br>SP000063855 – SFH 551/1-1V |

This obsolescence will take effect 15<sup>st</sup> June 2010.

The key milestones are:

1. Formal Customer notification (1<sup>st</sup> April, 2010)
2. Final customer order date by (15<sup>st</sup> June 2010)
3. Final ship date to customer by (15<sup>st</sup> December 2010)

Customers are strongly encouraged to switch to the available recommended replacement parts stated above. Avago Technologies is willing to provide free samples of these parts for customer evaluation.

Avago Technologies reserves the right to limit last time buy quantities based on capacity and material availability. If you have any questions about this obsolescence, please do not hesitate to contact your local Avago Technologies sales representative or authorized distributors.
