Product Discontinuance Notification Details			
Description of Discontinuance:			
<p>Revision A is to announce the <u>addition</u> of two new devices that were not included on the original PCN notification. These devices were inadvertently not included in the original notification and will be discontinued. The new devices are highlighted and bolded in the Product Affected list below. There is no change to the original Last Date to Order or Last date to ship as noted above.</p> <p>Texas Instruments Incorporated (TI) is announcing the discontinuance of select LM258/358/2904 SOIC tube devices. Part Numbers are listed in the Product Affected table below. A last time buy is being offered per the date shown above.</p> <p>Equivalent recommended replacements are being offered as shown in the Product Affected table. The replacement products are undergoing a change in PCN 20210212001. Changed material may begin shipping after expiration of PCN 20210212001.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the changed replacement products based on PCN 20210212001, please contact your local sales representative.</p>			
Reason for Withdrawal/Discontinuance:			
TI will no longer support these specific SOIC devices packed in tubes. The recommended replacement products are equivalent devices shipped in reels.
