Please consult with your MultiTech sales support representative for information on which replacement models have the best availability at this time.

III. Key Dates
End-of-Life (EOL) Date: August 17, 2022

IV. Warranty and Support
MultiTech will provide technical support and repair or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post EOL date.

V. Suggested Action Plan
We recommend the following actions be taken:
- Remove the EOL model numbers from your ordering systems and web sites.
- Forward this announcement to others within your organization who are actively involved in the sale or support of the devices listed in this announcement.
- Notify existing customers who have been using these devices and work to migrate them to one of the recommended replacement models.

VI. Additional Information
If you have any questions or require additional information on this Product End-of-Life Notification, please contact MultiTech customer service:
