

Termination of sales distribution for Crocus TMR sensors

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
This notice is to inform you that Murata terminates sales distribution for Crocus TMR sensors.
Your understanding and support are highly appreciated.

1. Product Type, Customer/Murata/Alternative Part Numbers:

Product Type: Crocus TMR sensor
Murata Part Number: CT100, CT110, CT310, CT43x Series

2. Reasons/Background:

We have been distributing Crocus TMR sensors since 2020, but due to a review of our business strategies, we have decided to terminate sales distribution agreement with Crocus Technology.

In order to change distribution, we have been ensuring a smooth transition with Crocus PIC listed below.

Due to the distribution change, the last letter of the part numbers except for CT43x has been changed, however there are no differences in product specifications, quality, equipment or structure.

3. Crocus PIC:

Area	Name	E-mail	Telephone
America	Sales Mr. Nathan Caughel		
	FAE Mr. James Rice		
EMEA (DACH, Spain, Italy, UK)	Sales Mr. Karsten Kohler		
EMEA (Nordic, Eastern Europe, Italy)	Sales Mr. Christopher Keusch		
China	Sales Mr. Allan Zhou		
Taiwan / Korea	Sales Ms. Lida Lai		

If you have any inquiry, please contact Crocus PIC.

4. Feedback Due: Dec. 30, 2022

Please check with your company, and contact our company by the due date if you have any problems.

5. Contact Window:

Should you have any questions or concerns,
please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
