

**Issue Date:** May 18<sup>th</sup>, 2020

Dear Valued Customer,

This notice is to inform you of the obsolescence of an item that you have purchased from Littelfuse.

***Description of the Change:***

- Finished good 00711700 will no longer be produced by Littelfuse, effective immediately.

***Reason for The Change:***

- This product requires semi-finished components that are no longer manufacturable due to our legacy supply chain. There are insufficient revenues on this part to spur additional launch and investment.

***Effective Date of the Change:***

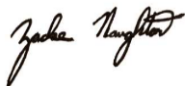

- This obsolescence is effective immediately.

***What You Need to Do:***

- Due to the sudden nature of this obsolescence, we will not be able to support a last-time-buy of this finished good.
- Open orders on this part number will require closure; we can offer technical assistance in identifying a potential cross from our other available similar products.

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Zachary Naughton  
Global Product Manager  
Littelfuse Commercial Vehicle Products
