Product Phase-Out Notice

Last Update: 2017/7/10

PAPS formally announce that we have phased out following products. This announcement will take effect immediately. Please review this phase-out notice carefully and contact your regional PAPS buyer immediately if your customers have any further inquiries on these items.

Phase Out Reason

Micro has reduced its production of DRAM with K die, making current price unreasonably much higher.

Please kindly transfer to Samsung IC as replacement for better supply and price
