	Upgrade	CXONE-AL03D-V4-UP
10-User	Standard	CXONE-AL10D-V4
	Upgrade	CXONE-AL10D-V4-UP
30-User	Standard	CXONE-AL30D-V4
	Upgrade	CXONE-AL30D-V4-UP
50-User	Standard	CXONE-AL50D-V4
	Upgrade	CXONE-AL50D-V4-UP
Site	Standard	CXONE-ALXXD-V4
	Upgrade	CXONE-ALXXD-V4-UP

Notes:

[1] Upgrade Licenses are from previous versions of CX-One with the **same number of Users** (CD or DVD). As of November 2013, CX-One is in Version 4, meaning upgrade part numbers can be purchased if customers are registered users of CX-One V1, V2, or V3.

[2] As of November 2013, CX-One software part numbers have "V4" in the, indicating Version 4. These are subject to change as newer versions are released.

CX-One CD part numbers [CXONE-AL**C-V4(-UP)] are available, but versions are subject to warehouse stock rotation.

Online AutoUpdate

Registered users may also update their software to V4.30 using the online AutoUpdate system. For instructions on how to use AutoUpdate, please refer to the Omron Quick Tip Video on YouTube®.
