## Declaration of Compliance with European Union “REACH” Legislation for Stainless Steel Self-Sealing Screws and Bolts

APM HEXSEAL is committed to conducting its business in an environmentally, socially, and ethically responsible manner, complying with all applicable laws and regulations of those countries where we do business. Part of this commitment includes the safe use and identification of chemicals per the applicable requirements of the EU Regulation (EC) No. 1907/2006, also known as REACH (Registration, Evaluation, Authorization and Restriction of Chemicals).

Under REACH, APM HEXSEAL is considered to be a downstream user. As such, we have a key role to play in advancing the safe use of chemicals and communicating relevant information to our customers.

We confirm REACH compliance via our supply chain partners. We continually work with our suppliers to ensure that all requirements are met and that they remain in full compliance with current and future REACH requirements.

This statement confirms that our products listed below do not contain any of the 211 listed substances classified as Substances of Very High Concern according to the EU REACH Directive (EC no 1907/2006).
