Subject: MSSPNH1500X Microswitch Update

Document Number: LFPCN\_PG0113

Date: 08/18/2020

With regards to the above reference, Littelfuse would like to inform you that there has been some changes on MSSPNH1500X Microswitch product, related to Marking and Spring.

Old Version	New Version	Marking Change
		<p>Change in the marking. Old Version has engraving on the plastic base. New version has black print on the cover. It contains more information than old version on the marking.</p>
Old Version	New Version	Spring Change
		<p>Technical Specifications and functionality are not changed with new version of microswitch</p>

Going forward / Timeframe

The effective date of this change was on October 2019.

There is no change to performance of microswitch.

I will appreciate if you could also send this e-mail to anyone else whom I could have un-intentionally missed out. Thank you for your continued business. If you have any questions, or need additional information please contact our Littelfuse representative.
