## Product Phase out Notice

This statement is to address your concerns regarding the manufacture discontinue and end of life (EoL) of Advantech's ADAM-5560 series, effect items are

ADAM-5560-AE	7-Slot PC-based Controller with Windows Embedded
ADAM-5560CE-AE	7-Slot PC-based Controller
ADAM-5560KW-AE	7-slot PAC with KW

### Main Reason

Key component phase out and product strategy change

### Release Information

The last buy of the whole series: **June, 2021**.

The last shipment of the whole series: **September, 2021**.

### Suggestion Solution

For the entry level softlogic controller, please consider ADAM-3600-C2G/DAM-3600-D1G as replacement.

For the entry level open platform, please consider ADAM-5630E-AE/ADAM-5630-AE as replacement.
