Product Discontinuation Announcement

Integrated Display Type Digital Flow Sensor **FM-200** series

Dear valued customers,

This letter is to notify you that the Integrated Display Type Digital Flow Sensor **FM-200** series will be discontinued due to discontinuation of its main parts.

We apologize for any inconvenience caused by this change and appreciate your kind understanding.

■End of order acceptance

July 31st, 2022

■Discontinued product and recommended substitutes

Discontinued product	Recommended substitutes
<p>Integrated Display Type Digital Flow Sensor FM-200 series</p> 	<p>N/A</p>

*Special ordered products and accessories / options are included.

*Please refer to the attached page for more details.

Thank you for your continued support of Industrial Device Business Division,
 Industrial Solutions Company, Panasonic Corporation.

Sincerely,

■Discontinuation on July 31st, 2022
