RE: Obsolescence of DRR-129, MARR-5, DRR-DTH & DRT-DTH series reed switches

To our valued customers,

Littelfuse would like to notify you that we are obsoleting the DRR-129, MARR-5, DRR-DTH & DRT-DTH series reed switches.

The DRR-129 series will be replaced by the DRS-50 series. There will be no change in the form, fit, or function of the switch.

The MARR-5 series will be replaced by the MVSR-20 series. There will be no change in the form, fit, or function of the switch.

The DRR-DTH series will be replaced by the DRS-DTH series. There will be no change in the form, fit, or function of the switch.

The DRT-DTH series will be obsolete without a replacement.

Attached are the preliminary datasheets for the replacement switches. For samples please contact your local sales representative. Please see the attached excel file for all affected part numbers and their replacements.

The last time buy for all 4 series of switches will be August 31st 2017 with a maximum of 6 months of volume, with the exception of the DRT-DTH series which is 12 months.

Thank you, for your attention on this matter.
