## FIXED RESISTORS

### Select Bourns® Model CRM Series High Power Current Sense Chip Resistor Part Numbers to be Discontinued

Riverside, California – November 22, 2022 - In accordance with our ongoing product life cycle management procedure, Bourns will transfer Select [Model CRM Series High Power Current Sense Chip Resistors](#) part numbers to an End of Product Life status effective immediately. The affected part numbers were created in error and are listed here so customers may remove them from their system. Except for current part number [CRM0805AFX-R550ELF](#), the actual High Power Current Sense Chip Resistors with the corrected replacement part numbers are not being discontinued.

The replacement part numbers provided in the table below are the correct part numbers for the products. As there has been no change to the products themselves, there is no change to the form, fit, function, quality or reliability of the replacement part numbers.

Obsolete Part Number	Replacement Part Number
