## **Product Advisory #1448 EPM-NET-100**

This is a formal notification that a product supplied by VersaLogic Corporation is being discontinued. Our records indicate that your company has purchased this product in the past.

Please read this notice thoroughly to determine what impact this change may have on you in regards to your currently owned product or future purchases from VersaLogic.

### **Affected Products**

<b>Product</b>	<b>Change</b>	<b>Migration Options</b>
EPM-NET-100	Product end of life	VL-EPM-E2A

### **Background**

VersaLogic is discontinuing the EPM-NET-100 Ethernet Expansion Module. Key components used on this board have been discontinued by their manufacturers. There are no second sources or alternate parts for these components.

### **Customer Impact**

The recommended migration path is to the [VL-EPM-E2A Ethernet Module](#). The VL-EPM-E2A was designed to replace the EPM-NET-100. Migration will require that operating system drivers be updated.

### **Product Transition Period**

Due to the exhaustion of a critical component, no product transition period is being offered. Migration is the recommended option.

### **Additional Information**

Please contact [Sales@VersaLogic.com](mailto:Sales@VersaLogic.com) or call (503) 747-2261 for assistance with this migration.
