

# Product Change Notification

## TE Connectivity

Product Change Notification: P-18-016381

PCN Date: 24-SEP-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**

18way LAC Shield Housing

**Description of Changes**

TE Connectivity is informing you about a manufacturing location change of our mold #M487862 that produces the component PN's in the PN description which is currently running at Plastic Mold Manufacturing in Indiana. We are moving this tool to PAM Trading in Kernersville, NC. Final Assembly Location remains the same. No FFF change.

**Reason for Changes:**

Product improvement. We hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure to maintain quality, ability to supply specifications of the concerned products. The new manufacturing location is under a certified quality management system according to the standard automotive requirements. An internal release based on our specifications will be executed before any parts will be delivered.
