

Product Change Notification

TE Connectivity

Product Change Notification: E-18-004794-C

PCN Date: 17-APR-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Connector Housings

Description of Changes

TE was recently made aware that Dechlorane Plus, a chlorinated Flame Retardant, was added to the REACH SvHC candidate list by ECHA in January 2018. As a result, one of our PA66-GF0-V0 resins is no longer being produced. The part numbers listed are produced from this PA66 nylon. TE is taking swift actions to substitute this nylon with a REACH compliant version with similar and improved properties. To help prevent customer line stoppages, all impacted part numbers will transition to this new resin with a running change on or after 4/16/18. We have completed various testing prior to the resin change including UL which will be available upon request.

Reason for Cancellation:

You can ignore this original PCN and we will issue a new PCN that more clearly identifies our latest plan to support customers through the discontinuance of this resin.

Part Number(s) being Modified:

Part Number	Part Discontinued per PCN	Customer Drawing	Customer Part Number	Alias Part Number(s)	Substitute Part Number	Substitute Alias Part Number(s)	Description Of Difference
