

NO: PC-257 **PRODUCT:** CS1W-ETN01 Ethernet Unit
DATE: September 2012 **TYPE:** Discontinuation Notice

CS1W-ETN01 Ethernet Unit (10BASE-5) Discontinued July 2012; Replace with CS1W-ETN21

Effective date: July 30, 2012

Cause: Ethernet communications at 10BASE-5 is obsolete for industrial automation applications, resulting in low sales.

Affected Parts

Product discontinuation		Recommended replacement	
CS1W-ETN01	10BASE-5	CS1W-ETN21	100BASE-TX/10BASE-T

Cautions on applying the Recommended Replacement

CS1W-ETN21 Ethernet Unit provides 100BASE-TX/10BASE-T Ethernet interface. It is necessary to change cable and connector. An Ethernet media converter from a third-party supplier can be used.
