Product Change Notification: P-19-017128

PCN Date: 20-MAR-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Manufacturing Location Change and new part numbers Appliances Tubing RW-175 Products

Description of Changes

Manufacturing location change. As previously notified by PCN (P-17-014715) TE Connectivity will be moving production of RW-175 tubing to Trutnov CZ Republic. This transfer will be made in phases until all appropriate equipment has moved. The phase dates are in the attached documents. Different parts will move in different phases.

Reason for Changes:

Dear Customer, As part of this transfer TE Connectivity will be issuing new part numbers for these transferring products. The New part numbers and a cross reference to the current and old original part numbers can be found in the attached documents. Old part numbers have been included as we are aware that not all our customers updated records from previously notified part number changes. Please note: For Spooled (-SP) and Stick (-STK) parts the sales Unit of measure will change to Metres for the -SP parts and Piece for the -STK parts.
