<b>PCN #:</b> PCN18-0019	<b>Rev:</b> 1.0	<b>Issue Date:</b> July 16th, 2018															
<b>Type of Change:</b> New NAND Flash component <input type="checkbox"/> minor / <input checked="" type="checkbox"/> major																	
<b>Detailed Description of Change:</b> This product change notification is to inform you about a NAND Flash replacement in the M.2 SATA SSD X-64m2 2280 series (MLC) with 960GB capacity, due to limited supply and EOL announcement from Micron.

<p>To accommodate 8 Flash placements, the PCB had to be redesigned. The dimensions of the PCB and the controller in use do not change. However, due to the NAND flash change, the current consumption and performance values do change, see table below for a comparison:</p>
