

Product Discontinuation

PDN-IFC-1020-2017

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
IFC - Industrial Field Connectivity	BF7	Product Discontinuation	Notify Distributors and Field	10/31/2017

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The HV16 UT inserts with screw termination are outdated and costly. The replacement solution with a modular crimp insert offers cost-and space savings due to utilization of a (smaller) B10 sized housing, rather than previously required B24. The modular crimp inserts can be used in standard housings such as STA family, or EVO, and ADV HEAVYCON families. Additional details are outlined in the attached Excel file.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

Transaction Dates

Last Buy from Phoenix Contact:	8/1/2018
Last Scheduled Ship from Phoenix Contact:	11/1/2018
