Product Change Notification (Production Lot Number marking method change)

Dear valued customers

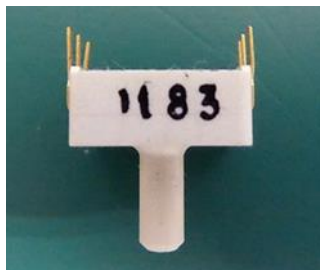

This is to inform you formally that a product change will be made to the following products.

1. Products affected

Product Name	Product Series
Pressure Transducer	P-2000 series

2. Description of change

- The Production Lot Number marking will change from ink marking to laser marking.

Current (ink marking)

New (laser marking)

3. Reason for change

To enhance product marking appearance.

4. Implementation date

The estimated implementation date is from April 2023 onward on a production basis. Should you have any questions, please contact your local sales representative/office for more details.

5. Others

Apart from the product marking change, all specifications remain exactly the same as before.
