

**PLEASE CHECK WWW.MOLEX.COM FOR LATEST PART INFORMATION**

**Part Number:** [1301080095](#)  
**Status:** **Active**  
**Overview:** [Wide-Area Lighting Products](#)  
**Description:** Super-Safeway Twin Tube 80W Fluorescent Work Light 12V, Cord Type 12/3 SOOW  
 7.62m (25.0') Cord Length

**Documents:**

[RoHS Certificate of Compliance \(PDF\)](#)      [Product Literature \(PDF\)](#)

**Agency Certification**

CSA                      LR85374  
 UL                        E174254

**General**

Product Family                      Portable Lighting  
 Series                                  [130108](#)  
 Exclude SD Check                      Yes  
 NEMA Configuration                      Non-NEMA  
 Outlet                                      None  
 Overview                                  [Wide-Area Lighting Products](#)  
 Product Literature Order No              987650-8054  
 Product Name                              Super-Safeway  
 Type                                        Wide Area Lamps  
 UPC                                         78678813029

**Physical**

Cord Length - Primary                      7.62m (25.0')  
 Cord Length - Secondary                      N/A  
 Depth                                      190.75mm (7.510")  
 Duty                                        Industrial  
 Guard Included                              Yes  
 Guard Type                                  Clear Butyrate  
 Height                                      82.55mm (3.250")  
 Length                                      636.00mm (25.039")  
 Material - Guard                              Butyrate  
 Mounting Style                              Straps  
 Packaging Type                              Carton  
 Socket Construction                        N/A

**Electrical**

Bulb Type                                  Fluorescent  
 Cord Type - Primary                        12/3 SOOW  
 Lamp Type                                  PL-L 40/41  
 Lamp Wattage - Maximum                      80W  
 Lumens                                      6300  
 On/Off Switch                                No  
 Voltage (Fixture) - Maximum                12V AC/DC

**Material Info**

Engineering Number                        1050-PL12
