

Engineering Change Notification (ECN)

MaxBotix Inc., will notify Digi-key (DK) of engineering changes related to parts they stock.

ECN will be triggered by the following events:

1. Changes that affect DK ability to buy a part number
2. Part specifications that change

The ECN will include the following:

1. Description of the change
2. Any known risks from the change

Engineering determined that the 4-20SC-MaxSonar -WR and 4-20HR-MaxSonar-WR sensors would only be sold with the wire attachment option. There are no additional risks from this change.

Date Effective: 7/1/2021

Method of ordering now. For Example, if you purchased the MB7760-100, you would now purchase the MB7760-101

The following part numbers were discontinued from sale:
