Business Unit	Product Line Code	Type of Change	Action	Date of Issue
AI - Automation Infrastructure	DNA	Product Discontinuation	Notify Distributors and Field	12/21/2021

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The development of the market for the items listed below has led to a situation where commercially viable production and marketing is no longer possible for Phoenix Contact. These items are therefore being discontinued at the end of 2024. Please consult Sales regarding remaining delivery quantities, delivery dates, etc.

Replacement parts in this list are part of the PSRmodular product line. As this is a new product family, the items are not directly interchangeable. Please note that additional replacements exist, and a more involved discussion may be required with our sales team to identify the best replacements for your specific application.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No
