

Obsolete products –RAC05-A/B-E and RAC10-A/B-E Series

Dear customers,

We herewith inform you about the following products being made obsolete; the RAC05-A-E, RAC05-B-E, RAC10-A-E and RAC10-B-E series (-E = extended operating temperature versions). Key components are no longer available and we can no longer support production.

Should individual customers require assistance with other alternative power supply solutions, please contact RECOM for assistance.
