

## Product Discontinuation Notice

Products: IMSA Cable, All Product Skews	Issue Date: July 15, 2021
Product Manager: Peter Cox	Last Order Date: September 15, 2021
Business Group and Location: Industrial Cable	
Product Type and Markets: IMSA All Global Markets	

**Dear Valued Customer,**

This letter serves as formal notification that Belden Inc and all its subsidiaries will discontinue production of the below listed IMSA cable products immediately. In order to assist with smooth transition to other suppliers and sources, Belden will honor last chance ordering up to but no later than September 15,2021

### **What products are affected?**

- A full list of IMSA product appears at the bottom of this notification.

### **What is the last day for order entry?**

- Belden will accept orders for existing IMSA items Until September 15,2021.
- Belden will honor all current orders.
- Belden will no longer quote IMSA opportunities.

### **Why is Belden discontinuing these products?**

- Due to market conditions and supply constraints, Belden will no longer participate in the IMSA market.

### **Can I return my current inventory?**

- Belden's standard terms and conditions for inventory rotation will apply to these products for a period of 1 year.

Peter B. Cox Peng  
Global Director and Product Line Manager, Industrial Cable Projects and Products
