Product:	HPL 541 (Relimate connectors)		Part Numbers Concerned:	See list attached
Product Manager:	Vicy V.Pulayath		Issue Date:	18-June-2008
			Page(s):	1/1
Distribution:	GLOBAL			

Subject:

Obsolescence Notice - Relimate 2.5mm connector series

Nature of Change:

Global sales for this product are on decline & currently large majority of the sales for the Relimate series is confined to few Local accounts in India. Low sales realization per line is also reducing the effective net margins. Besides this, there are productivity & quality issues due to the old and worn out tooling. Since the sales value doesn't justify re-investment in new tooling & also due to lower sales, FCI has decided to with draw the offering from the present global sales foot print.

Implementation Date:

Last order date: 30-Mar-2009

Last order ship date: 30-Apr-2009

Affected Part Numbers:

See attached list
