

BU-2641-D-XX-@**(Multiple Feature Test Prod to Unshrouded Banana Plug)**

- The BU-2641-D is a multiple feature test prod to unshrouded banana plug.
- Hookup wire is 18 AWG 65/36 tinned copper with temperature-resistant PVC insulation rated to 90°C.
- Material: Needle 304 stainless-steel
 Banana Plugs Beryllium copper
 Housing Glass-filled nylon
- Ratings: Current 10 Amps
 Voltage 600V
- Length: The “XX” in the model number indicates length in inches.
 Available lengths: 29”, 48”
- Color: The “@” in the model number indicates color.
 Available colors: -0 Black, -2 Red
- RoHS 3 compliant
