

Business Unit: Electronics **PCN/ 17/012/C+N-US**

Product range: M12 Circular Connectors Date: 2017-09-18

Title: M12 L-Code – Color Change of the Plastic Material Page 1/2

Details of the Product Changes

1. Affected Part Numbers

21032961505, 21032962505, 21038961505, 21038962505, 21035961505, 21035962505
 21035991505, 21035992505, 21035961515, 21035962515, 21035991515, 21035992515
 21033961505, 21033962505, 21033961531, 21033962531, 21033961530, 21033962530
 21532961505, 21532962505, 21538961505, 21538962505, 21535961505, 21535962505
 21535991505, 21535992505, 21533961505, 21533962505, 21533961531, 21533962531
 21533961530, 21533962530, 21652961505, 21652962505, 21032961515

2. Description of the Change

Change of the color of the present design (black) to grey. This was done in order to comply with the new PROFINET specification, which stated that the insert with four conductors + FE needs to have grey color. In addition, please consider that the cables used in these applications also need to have grey color.

Current version of a M12 Power L-code male connector with a black insulating body.

New version of a M12 Power L-code male connector with a grey insulating body.

3. Impact on the Product Specification

This change does not have any impact on fit, form or function of this product.

4. Scheduled Date of Implementation

September 1st, 2017

5. Identification of Change

There will be a new revision level created for each part number.

In case of questions or concerns, please do not hesitate to contact our technical support.
