

Dear Valued Customer:

This letter is to inform you that we are discontinuing the product(s) described below. Please review this letter to ensure that your products and/or processes will not be affected by the termination of this item and email your acceptance and/or need for any additional documentation for the obsolete product(s). Please respond with your acknowledgment to our Customer Service Team at [orders@inspiredled.com](mailto:orders@inspiredled.com). Thank you for your help and support.

**Inspired LED Part Number(s):** 3766

**Customer Part Number(s):** 3766-ND

**Reason:** In an effort to provide the best quality products, Inspired LED is discontinuing the Magnetic Switch. The replacement product utilizes an IR Sensor instead of a magnet. The redesign allows LEDs to be turned on and off in response to the opening or closing of a door or drawer. The same 3.5mm x 1.3mm female input and output are used.

**Inspired LED New Part Number(s):** 8543
