GN/GV modules & Evaluation kits EOL notice

Furuno is announcing the EOL (End of Life) of the following products.

Furuno will discontinue these products since Taiyo Yuden Techno Solutions Co., Ltd., who is our EMS of these products, decided to shut down the production line.

Accordingly, the evaluation kits for these products will also be EOL.

Models to be discontinued

- **GN-86/87 series (including Evaluation kits “VN-860” and “VN-870”)**
- **GV-86/87 series (including Evaluation kits “VN-861” and “VN-871”)**

Furuno appreciates and values our business relationship and look forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our world class products.

End.
